Office of the Secretary  
Elliptical Road, Diliman, Quezon City

August 12, 1997

**BAI/NMIC**  
Administrative Order  
No. 7  
Series of 1997

Subject : Rules Governing the Importation of Canned, Cooked and Processed Pork, Beef and Mutton Products from the People's Republic of China

*Whereas, the Department of Agriculture Philippine Mission in China, after a thorough inspection and evaluation of three processing plants, found favorable conditions that merit allowing the importation of canned, cooked, processed pork, beef and mutton products from China;*

*Whereas, only canned, cooked, processed meat products coming from the following meat processing plants are allowed to be imported;*

1. YANGZHOU XINXIN FOOD LTD. COMPANY  
NO. 1 ERPANPU, YANGZHOU, JIANGSU, PEOPLE'S REPUBLIC OF CHINA

**Ginintong Ani**  
"Dadami ang palay,  
ginhawa ang buhay"

*Whereas, the following conditions are set up to allow such importation which are hereunder to wit;*

1. The meat for processing comes from deboned carcasses:
  - a. from which the major lymphatic glands have been removed;
  - b. which, prior to deboning have been submitted to maturation at a temperature above 2.5°Celsius for a minimum period of twenty-four (24) hours following slaughter, and in which the pH value of the meat was below 6.0;
2. The meat is subjected to heat treatment in a hermetically sealed container to reach an internal core temperature of at least 70.5°Celsius for a minimum of thirty (30) minutes. After cooking it shall be packed and handled in such a way that it cannot be exposed to a source of virus.
3. The Secretary of Agriculture may impose a periodic inspection of the processing plants to determine compliance to import requirements under this Order.
4. All shipment of canned meat products must be certified by the China Commodity Inspection Bureau (CCIB) that the canned meat:
  - a. have been prepared from the meat of animals which have passed ante- and post-mortem examination;
  - b. have been prepared, processed in a sanitary manner under veterinary supervision;
  - c. have not been treated with chemical preservatives or other foreign substances injurious to health;
  - d. are fit for human consumption; and
  - e. are destined for the Philippines and meant to be sold for consumption in the Philippines.
5. Only original pro-forma invoices issued by the accredited processing plants and authenticated by both the Department of Foreign Affairs of the People's Republic of China and the Philippine Consulate in Beijing shall be valid as supporting document for the Veterinary Quarantine Clearance (VQC) application;
6. Canned meat products from accredited processing plants should be registered with the Bureau of Food and Drugs (BFAD) of the Department of Health.
7. The validity of shelf life of the canned meat products is no less than 18-24 months from date of manufacture. Date of manufacture should also be indicated.
8. The canned meat products should be labeled "For Export to the Philippines".
