**SUBJECT :** **Importation of Poultry Meat (whole chicken and/or chicken leg quarters) by PABI and UBRA**

---

To prevent the possible shortage of poultry meat this coming holiday seasons caused by the recent typhoon and as agreed upon with the poultry stakeholders, the BAI is directed to issue Veterinary Quarantine Clearance to Import (VQC) Three (3) Million kilos of poultry meat (whole chicken and/or chicken leg quarters). This importation must be done by members of Philippine Association of Poultry Integrators (PABI) and United Broiler Raisers Association (UBRA). PABI and UBRA should certify as to the legitimacy of their member to qualify as an importer of the above-mentioned poultry meat. They shall be exempted from provisions of DA AO 26 Series of 2005 particularly in the process of accreditation, among others.

PABI and UBRA must assure the DA that shipment must arrive between November 15 to December 31, 2006.

For your compliance.
